2015 ALTIMA®

NISSAN ALTIMA®

Wouldn't it be cool if your car could put a smile on your face, confidence in your hands and goose bumps all over?
Here are just a few ways Altima® gives you an unforgettable drive.

6.2 L/100 km (46 MPG) highway.

Altima®'s excellent fuel efficiency helps get you 1098 highway kilometres on a single tank.^{1,2} Bring snacks – you could get pretty hungry between stops.

Blind Spot Warning System. This available technology helps detect and alert you of other vehicles when you're changing lanes.³

Advanced Drive-Assist™ Display. Lets you scan info on your dashboard quickly, helping minimize time spent looking away from the road.⁴

Visit Altima® on Facebook® or Twitter® to see what owners have to say.

And follow Nissan Canada on:

¹2015 Altima® fuel economy tested by Nissan Motor Company Limited. 2015 Altima®: 2.5 L engine (8.7 L/100 km city/6.2 L/100 km hwy.). 1098 km estimated range calculated dividing fuel capacity (68.1 L) by highway fuel economy (6.2 L) and multiplying by 100 km. 2015 Altima® fuel economy estimates based on new Transportation Canada 5-cycle fuel economy testing regulations. ²IMPORTANT: Starting with 2015 model year vehicles, the Government of Canada has mandated new fuel economy test methods to better approximate typical driving conditions and styles. These new 5-cycle test methods are more representative of a vehicle's on road fuel consumption compared to the current 2-cycle testing methodology, and can produce fuel consumption ratings that are up to 20 percent higher than the current ratings. Fuel Economy estimates for the Nissan 2015 model year vehicles may seem less favourable compared to previous years and some competing vehicles that have not yet reported based on new testing criteria. 2015 vehicles do not consume more fuel than the comparable 2014 vehicle under the same driving conditions. For more information, please visit nissan.ca/fuel2015. ³The Blind Spot Warning System is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. ⁴Driving is serious business and requires your full attention. Even with Advanced Drive-Assist™ Display, only use phone or other communication devices when safe. Facebook® is a registered trademark of Facebook, Inc. WHAT IF_
YOUR DRIVE WAS THE
BEST PART OF YOUR DAY?

What if just taking an on-ramp gave you an adrenaline rush? Or if you could know you're free and clear before you change lanes? What if the design of your seat made long trips feel less so? And your customized radio station came along for the ride? What about getting a thumbs-up from the valet as you pulled away from the curb? Now it's all possible. The 2015 Nissan Altima®. Change the way you drive forever.

Nissan Altima® 3.5 SL shown in Pearl White.

The image shows the interior of a car, specifically the front and rear seats, upholstered in beige leather. The seats have a textured pattern and are designed with a focus on comfort. The background outside the car windows is a dark, starry space, suggesting a zero-gravity environment. The car's interior features include a steering wheel, a dashboard with a central display, and a center console with cup holders. The overall lighting is soft, highlighting the texture of the leather and the spaciousness of the cabin.

**ZERO-GRAVITY SEATS FOR COMFORT
THAT'S OUT OF THIS WORLD.**

In the weightlessness of space, humans tend to take a relaxed posture that minimizes stress on the body. To recreate this "neutral posture" when you're behind the wheel, Nissan designed an articulated front seat that offers continuous support from the pelvis to the chest, along with seat cushions that flex in response to your unique pressure points. The result is a seat that's amazingly comfortable and helps reduce fatigue, no spacesuit required.

Nissan Altima® 3.5 SL shown in Beige Leather.

Nissan Altima® 3.5 SL shown in Charcoal Leather. U.S. instrumentation shown.

Welcome to Altima®. It's been waiting for you. That's because Altima®'s available Remote Engine Start System lets you warm up or cool down the cabin from up to 58 metres away.¹ Now when you open the car door, it's as if Altima® was expecting you. And with details like available Dual Zone Automatic Temperature Control, and heated front seats and steering wheel, Altima®'s interior makes you want to stay. Ready? Just press the Push Button Ignition, and you're on your way.

¹Provincial laws may apply; review local laws before using.

NISSAN ADVANCED DRIVE-ASSIST™ DISPLAY
INNOVATION THAT'S RIGHT
IN FRONT OF YOU.

Traffic jams. Soy chai lattes. Dinner plans. With so much going on around you, it's easy to lose sight of what's most important: driving. From turn-by-turn directions to caller ID,¹ the Advanced Drive-Assist™ Display serves up info right in front of you – helping to minimize time looking away.² Plus, its intuitive 3-D depth and tilt design helps you take it all in quicker. So you can focus on what really matters.

TURN-BY-TURN NAVIGATION^{1, 3}

LANE DEPARTURE WARNING^{1, 4}

TIRE PRESSURE MONITORING SYSTEM^{1, 5}

CALLER ID

¹Information displayed is dependent on how vehicle is equipped. ²Driving is serious business and requires your full attention. Even with Advanced Drive-Assist™ Display, only use phone or other communication devices when safe. ³Factory-installed option. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. ⁴Lane Departure Warning System operates only when the lane markings are clearly visible on the road. Speed limitations apply. See Owner's Manual for details. ⁵Tire Pressure Monitoring System is not a substitute for regular tire pressure checks.

NissanConnect^{SM1} YOUR WORLD, AT YOUR FINGERTIPS.

With the available NissanConnectSM with Mobile Apps, your Altima[®] becomes your smartphone's best friend. Which means no more separation anxiety for you. Because now, your own hand-picked music, Facebook[®] news feed, latest tweets, TripAdvisor[®] tips, and more all come along for the ride, working seamlessly together through Altima[®]'s audio system. And it keeps on getting better: the basic app package is complimentary for the first three years.¹

Available on the
App Store

ANDROID APP ON
Google play

Your Altima[®] also keeps you in the loop with the available Nissan Navigation System (featuring voice recognition),² hands-free text messaging,³ Bluetooth[®] hands-free calling and streaming audio,⁴ plus an iPod[®]/USB input.⁵

¹Driving is serious business. Only use NissanConnectSM services when safe to do so. Subscription Agreement required. Compatible smartphone required. Not all app features are available for all models. Some apps have late availability. May require dealer service visit or software upgrade to activate. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. Cellular network not available in all areas. Cellular network, apps, and services, including Google[®] services, are provided by independent companies not within Nissan's control and may require subscription and owner consent to activate. Should provider terminate/restrict service, service may be terminated without notice or liability to Nissan and/or its agents. Nissan not responsible for any equipment or app replacement/upgrades, or associated costs, that may be required for continued operation. Terms and conditions of Subscription Agreement apply. 36-month trial period starts on vehicle sale date; subsequently a paid subscription is required at the then current rate. Standard text rates and/or data usage may apply. See retailer and check www.Nissan.ca/NissanConnect for details. ²Factory-installed option. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. ³Use the text messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Standard text rates and/or data usage may apply. ⁴Availability of specific features is dependent upon the phone's Bluetooth[®] support. Please refer to your phone Owner's Manual for details. Bluetooth[®] word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. ⁵Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. iPod[®] is a registered trademark of Apple, Inc. GREAT FUEL ECONOMY.

Extensive refinements to Altima®'s 4-cylinder engine and Continuously Variable Transmission help ensure it's as powerful and fuel-efficient as ever. With excellent fuel economy and outstanding acceleration, you'll enjoy amazingly smooth power delivery as you breeze past the pump.

PUREDRIIVE.™ The 2015 Altima® 2.5 wears the PUREDRIIVE™ badge, proof that you can have a roomy car that's fun to drive and still save fuel and help the environment. Best of all, Altima® is just one of a family of PUREDRIIVE™ vehicles, reflecting Nissan's commitment to developing more environmentally friendly transportation for all of us.

4-cylinder Engine. Choose the 182 HP 4-cylinder engine and get more than just spirited performance. The advanced intake system optimizes the opening of intake valves at high rpm to keep the torque curve flat, giving you smooth power while contributing to the impressive fuel economy.

Xtronic CVT® (Continuously Variable Transmission). Say good-bye to fixed gear ratios and hello to a new kind of CVT. In the newest version of our CVT, friction is reduced by up to 40% and the ratio coverage is increased to greater than that of some 8-speed automatics. What does that mean behind the wheel? Better acceleration and fuel economy, plus performance so smooth, it's like riding a continuous wave of power.

Nissan Altima® 2.5 SL shown in Saharan Stone.

V6 ENGINE
270
HORSEPOWER

AMAZING ACCELERATION.

What if your daily drive got an adrenaline boost? Altima®'s V6 engine not only gives you incredible acceleration, but its Xtronic CVT® features three modes for a more customized driving experience, including paddle shifters for some Formula 1-style action.

V6 Engine. Nissan's legendary 3.5-litre, 270 HP V6 engine treats you to sports-car like performance and a cool 7.4 L/100 km (38 MPG) highway that keeps you right at home in the carpool lane.¹ Part of the engineering magic is Continuously Variable Valve Timing Control System (CVTCS), which means power is always on tap – off the line, or passing – for a ride as thrilling as it is efficient.

Xtronic CVT® with Paddle Shifters. Customize your ride with three modes. Select D for every day, Ds for a sportier "shift" feel, or go hands-on with the paddle shifters. Unique to the V6, the available paddle shifters are mounted right on the steering column, putting precise shifting control at your fingertips. No clutch needed. Just pull a paddle and your "gear" changes on command, giving you an experience that's the best of both worlds.

¹2015 Fuel Economy Estimate. Actual mileage may vary with driving conditions – use for comparison only. 2015 Altima® fuel economy estimates based on new Transportation Canada 5-cycle fuel economy testing regulations.

TAKING A CORNER WILL NEVER FEEL THE SAME.

What if your car knew when you were cornering – and how to react to your commands? That's the kind of intuitive response we've engineered into every Altima®. So you can enter a corner with more confidence, and exit with a big grin.

Active Understeer Control. This innovative technology helps improve control when you take a corner. It reads the cornering situation and, if needed, will imperceptibly brake the appropriate wheel to help you steer through the turn.

Suspension. Altima®'s rear multi-link suspension is designed for exceptional agility. You'll feel it especially in the corners, when the layout of the suspension allows the rear wheels to turn slightly to match the front – giving you the sensation of riding on rails.

Shocks. Altima®'s luxury sedan-inspired shocks significantly reduce vibrations for a smooth, flat ride. A rebound spring inside of each shock absorber makes for minimal roughness and more secure cornering, combining great performance with great ride comfort.

NISSAN SAFETY SHIELD TECHNOLOGIES™

INNOVATION TO HELP DOUBLE CHECK YOUR DOUBLE CHECK.

What if your car had your back? Whether you're changing lanes on the highway or deftly manoeuvring your way into a parking spot, Altima®'s available Safety Shield Technologies™ take advantage of the rearview camera and act as a second set of eyes, giving you a whole new way to double check.

Blind Spot Warning. If another vehicle is detected in your blind spot area, an indicator appears in the driver's or front passenger's doors and on the Advanced Drive-Assist™ Display. Put your turn signal on, and the indicator flashes with a warning chime to alert you!

Lane Departure Warning. If Altima® detects that you're straying from your lane, the Lane Departure Warning System will give both a visual and audible alert. The system is so smart, it's designed to stop the warnings whenever your turn signal is engaged.²

Moving Object Detection. Shift into Reverse, and the available next-generation RearView Monitor displays what's behind you. If it detects something moving by the rear of the vehicle, it gives a visual and audible alert. And whenever you want a wider rear view, just push the camera button.³

¹The Blind Spot Warning System is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. ²Lane Departure Warning System operates only when the lane markings are clearly visible on the road. Speed limitations apply. See Owner's Manual for details. ³Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. MOD operates at vehicle speeds below 5 mph.

NISSAN SAFETY SHIELD® PHILOSOPHY

SURROUND YOURSELF WITH CONFIDENCE.

Wouldn't it be cool if you had the confidence you need for every part of your drive? The Nissan Safety Shield® is a comprehensive approach to safety that guides the engineering and development of every vehicle we make. The features described here are just some of many on your Nissan, helping to protect you and yours by focusing on three key areas: keeping an eye on your vehicle's systems and the surroundings, assisting in handling unexpected situations, and helping to keep you safe in the unfortunate event of an accident.

6 Standard Airbags. When a collision is unavoidable, Nissan's Zone Body construction helps absorb the impact while the advanced seat belt and airbag systems help protect passengers.¹

snug kids® Nissan safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissans. The result: an industry first, The Snug Kids® Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles, as well as offers invaluable tips on correct installation. Look for the latest Fit Guide at Nissan.ca/owners/en.

Tire Pressure Monitoring System. With this available feature, when your tire pressure is low, an icon illuminates on your dash to let you know. When filling your tires, the Easy-Fill Tire Alert gives you a friendly beep of the horn when you've reached the right pressure.^{2,3}

Vehicle Dynamic Control (VDC). Also known as stability control, VDC monitors your steering and braking to help you maintain your steered path under certain conditions by reducing engine output and/or applying brake pressure to specific wheels.⁴

Traction Control System (TCS). When TCS senses drive-wheel spin, it responds by reducing throttle or applying brake pressure to help maintain traction.

Electronic Brake force Distribution/Brake Assist. EBD is designed to send extra force to the rear brakes when there's additional weight in the back. If you need to slam on the brakes, Brake Assist detects how hard you're braking, and if it senses you are in an emergency, it will automatically help to apply maximum braking force.⁵

¹Airbags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, in addition to any other requirement of applicable law, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts, according to their size. Airbags will only inflate in certain accidents; see your Owner's Manual for details. Inflated airbags shown for illustration purposes only, actual coverage area may differ. Airbags deflate after deployment. ²Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. ³Vehicle must be on for the Easy-Fill Tire Alert to operate. ⁴VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely. ⁵Brake Assist is only an aid to assist the driver and is not a collision warning or avoidance device. It is the driver's responsibility to be in control of the vehicle at all times.

CHOOSE YOUR TRIM LEVEL

2.5

2.5-litre DOHC 16-valve 4-cylinder engine, engine block heater, Xtronic CVT® (Continuously Variable Transmission), Active Understeer Control, Vehicle Dynamic Control (VDC), Traction Control System (TCS), fog lights, remote keyless entry with Push Button Ignition, Advanced Drive-Assist™ Display, Bluetooth® Hands-Free Phone System¹ and streaming audio via Bluetooth® wireless technology,¹ Tire Pressure Monitoring System (TPMS) with Easy-Fill Tire Alert, AM/FM/CD audio system with four speakers, illuminated steering wheel-mounted audio controls, cruise control, air conditioning, 60/40 split fold-down rear seatbacks, front-passenger seatback pocket, dual chrome exhaust finishers, six airbags

2.5 S

INCLUDES 2.5 EQUIPMENT PLUS:

Nissan Intelligent Key®, heated outside mirrors, 6-way power adjustable driver's seat, Tire Pressure Monitoring System (TPMS) with individual tire pressure display and Easy-Fill Tire Alert, Remote Engine Start System, RearView Monitor, upgraded audio system with 127 mm (5") colour display and speed-sensitive volume control, USB connection port for iPod® interface, SiriusXM® Satellite Radio,² NissanConnectSM with Mobile Apps, hands-free text messaging assistant, air conditioning with in-cabin microfilter, Smart Auto Headlights, sun visors with illuminated vanity mirrors and extensions

2.5 SV

INCLUDES 2.5 S EQUIPMENT PLUS:

17" Aluminum-alloy wheels, power sliding glass moonroof, heated front seats, Dual Zone Automatic Temperature Control (ATC), passenger-side front-window one-touch auto-up/down with auto-reverse, driver's seatback pocket, side cargo net, 8-way power adjustable driver's seat, driver's seat power adjustable lumbar support, leather-wrapped steering wheel and shift knob

KEY AVAILABLE PACKAGE: Technology Package

2.5 SL

INCLUDES 2.5 SV EQUIPMENT PLUS:

Leather-appointed seats, Bose® Premium Audio System with nine speakers, wood-tone trim (Beige interior) and metallic-tone trim (Charcoal interior), heated steering wheel, rear passenger air conditioning vents, 4-way power adjustable passenger's seat, heated front seats, LED taillights, manual folding outside mirrors with LED turn signal indicators, HomeLink® universal garage door opener, auto-dimming inside rearview mirror, digital compass, adjustable rear head restraints, mood lighting

KEY AVAILABLE PACKAGE: Technology Package

¹Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. GENUINE NISSAN ACCESSORIES

Every Genuine Nissan Accessory is: custom-fit, custom-designed and durability-tested; backed by Nissan's 3 year/60,000 km Accessories limited warranty; and can be financed when installed by dealer at time of purchase.²

A. **Rear Decklid Spoiler**

May the downforce be with you.

B. **Trunk Protector**³

Use your trunk, don't abuse it.

C. **Remote Engine Start System**⁴

Warm it up, cool it down before you even get in.

D. **Body Side Mouldings**

Stay fresh. Stay stylish.

Additional Accessories:

- Illuminated Kick Plates
- Interior Accent Lighting
- All-season Floor Mats
- Carpeted Trunk Mat
- Clear Rear Bumper Protector
- Trunk Sub-floor Organizer
- Hideaway Trunk Net
- External Ground Lighting
- And More

See your Nissan dealer for details, or go to accessories.nissan.ca

BUYING AND OWNING

Finance Options Through Nissan Canada Finance, we offer many attractive lease and purchase options that can be tailored to your individual needs. We have unique programs such as the Nissan Grad Program or the New Canadian Program designed just for you. Please visit our website **Nissan.ca/finance** to explore all of the options available. We have also made it easy to pre-qualify online. All of our programs come with competitive rates and terms. With our flexible options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

No-Nonsense Warranty Every 2015 Nissan is covered by a 3 year/60,000 km⁵ Comprehensive New Vehicle Warranty, a 5 year/100,000 km⁵ Powertrain Warranty, an 8 year/130,000 km⁵ Emission Control Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a 3 year Roadside Assistance program available to you 24 hours a day. Terms, conditions and exclusions apply. See Warranty Information Booklet for complete details.

Added Security Plan (ASP) For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

Security+Plus™ Prepaid Maintenance Plan The smart choice when it comes to maintaining your new Nissan. Honoured at all participating Nissan Dealers in Canada and the U.S., your vehicle is cared for by factory-trained technicians using Genuine Nissan Parts. And best of all, there's no worrying about price increases on parts or service in the future. A variety of plans are available. Ask your Dealer for details.

²See your Nissan Dealership and read the actual limited warranty. ³Cargo and load capacity limited by weight and distribution. Always secure all cargo. ⁴Provincial laws may apply; review local laws before using. ⁵Whichever occurs first.
