

Pathfinder Armada SE Off-road shown in Canteen.

PRINTED EXCLUSIVELY FOR

2004 NISSAN PATHFINDER ARMADA

GO LARGER THAN LIFE. And catapult to the top. After all, life is one glorious adventure. And the bigger, the better. Just like the all-new Pathfinder Armada – Nissan's first full-size SUV. V8 power. Up to 9,100 lbs¹ of towing. Flagship refinement like an available Nissan DVD Entertainment System. Second and third rows that fold flat. Roof-mounted curtain supplemental air bags with rollover protection². And seating for up to 8 people. With more second-row room than any other SUV. More than Chevy Tahoe. More than Ford Expedition. Pathfinder Armada. Big brother to Pathfinder. Little brother to no one. Just pure attitude on a brand-new level.

¹ With Tow Package on SE and SE Off-road. Standard on LE.

² See Specifications for important air bag information.

¹Factory-installed option. Never program while driving. Requires accurate GPS service to be available and operating for features to function properly. Mapping may not be detailed in all areas or reflect current road regulations. Some Nissan dealers may not appear on the current mapping areas. Periodic updates to the DVD-ROM will be available for an additional cost. See your Nissan dealer for details. ²Please keep in mind that air bags are a supplemental restraint system and must always be used in conjunction with a seat belt. Even with advanced air bags, a rear-facing child restraint should not be placed in the front-passenger's seat. In fact, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Driver and front-passenger side-impact supplemental air bags and roof-mounted curtain supplemental air bags for front- and rear-seat occupant protection are designed to inflate in higher severity side collisions on the side of the vehicle impacted. During rollovers, however, roof-mounted curtain air bags are designed to inflate on both sides. Choose a dealer to buy your Nissan Pathfinder Armada:

How wimpy, whining engine sound here. This Endurance 5.6-L DOHC V8 with 305 hp and 385 lb-ft of torque is pure muscle.

How big can you dream? > Enough to fill 97.1 cubic feet of open space with the second- and third-row seats folded flat? < Exclusive independent rear suspension helps maintain traction and increase steering control on the most challenging terrain.

< Best-in-class leg room for second-row adventurers. Second- and third-row seats that fold flat for multiple configurations. A front passenger seat that also folds down for maximum versatility. Go Pathfinder Armada.
