

 **TOYOTA** Corolla 2006

Above: Corolla Sport shown in Impulse Red.

Corolla06

TIME ISN'T THE ONLY THING THAT FLIES WHEN YOU'RE HAVING FUN.

Above: Corolla CE shown in Indigo Ink.

Above: Corolla LE shown in Frosted Mink Pearl.

Above: Corolla XRS shown in Silver Streak Mica.

Preceding spread: Corolla XRS shown in Phantom Grey Pearl.

Right: Optitron Electronic Gauges – standard on XRS and LE.

Below: The ergonomically designed Corolla XRS interior.

THERE'S NO PLACE YOU'D RATHER BE. Say goodbye to your “I’d rather be...” license plate frame. After all, where else would you want to be but inside Corolla’s spacious cabin? Fun for five, air conditioning¹, 60/40 split folding rear seats² and AM/FM CD audio with 6-speakers³, making the interior a destination unto itself. The eye-catching Optitron Electronic Gauges⁴ add a touch of refined illumination. Suddenly there’s no place you’d rather be.

¹ Optional on CE. ² CE, Sport and LE models. ³ AM/FM CD with 4-Speakers on CE. ⁴ XRS and LE models.

COROLLA XRS **THE COROLLA XRS HAS QUITE AN ATTITUDE.** It features a 164 hp VVTL-i engine, 6-speed manual transmission and sport-tuned suspension – all surprisingly engineered to tear into the road. To ensure things don’t get too wild, the XRS has 4-wheel disc brakes and a dynamic strut tower brace that helps reduce body roll and increases stability. Inside, you’ll find front sport seats, leather-wrapped steering wheel, leather-wrapped shift knob and Optitron Electronic Gauges. If the interior doesn’t clue you in that this isn’t the status quo Corolla, the exterior will – 16" alloy wheels and colour-keyed grille trim are a dead giveaway. The Corolla XRS: every family needs its black sheep.

Above: Corolla XRS shown in Silver Streak Mica.

THERE ARE NOW FOUR WAYS TO HAVE FUN, and, in the process, make your accountant proud. The sleek and stylish Corolla Sport has fun written all over it with 126 horses ready and willing to take you where the good times are. The Sport also features aerodynamic halogen headlamps, full skirt package, integrated fog lamps and a rear spoiler – proving that fun is in the eye of the beholder.

Above: Corolla Sport shown in Black Sand Pearl.

COROLLA LE Then there's the Corolla LE (above, top) with Optitron Electronic Gauges, power windows, power auto door lock with shifter activation and colour-keyed mirrors. And don't forget the Corolla CE (above) with its 16-valve VVT-i engine, colour-keyed bumpers and bodyside mouldings. So much fun you can practically write off the blues.

Above from top: Corolla LE shown in Impulse Red. Corolla CE shown in Phantom Grey Pearl.

COROLLA SAFETY FEATURES

- Front & rear energy absorbing crumple zones
- Side-impact door beams
- Trunk entrapment release
- Hood hold-down hooks
- Door ajar, low fuel & headlamp on warnings
- Antilock Braking System (ABS) on the LE & XRS (optional on Corolla Sport)
- Dual-stage driver & front passenger airbag Supplemental Restraint System (SRS)
- Front passenger airbag occupancy classification indicator
- Energy absorbing steering column
- 3-point front seatbelts with adjustable seatbelt anchors, driver's Emergency Locking Retractor (ELR) & passenger side Automatic /Emergency Locking Retractor (ALR/ELR)
- Front seatbelt pre-tensioners with force limiters
- 3-point rear seatbelts in all positions with Automatic/Emergency Locking Retractor (ALR/ELR)
- Energy absorbing upper interior trim
- Adjustable front & rear headrests
- Child protector rear door locks

LOOKING GOOD. BEING SAFE. IT'S NOT AN EITHER /OR. The 2006 Corolla offers both.

Even to the spirited Corolla, some things are entirely serious. Just beneath its playful personality, you'll find a wealth of safety features with serious intent. For instance, Corolla has dual-stage driver and front passenger airbags that deploy to various levels based on the severity of the impact. The 2006 Corolla is driven by Toyota's powerful VVT-i (Variable Valve Timing with intelligence) engine that optimizes engine efficiency by constantly retarding or advancing intake valve timing depending on conditions and engine speeds – resulting in exceptional low-end torque to get you off the line, mid-range punch for passing situations and clean-burning efficiency throughout the rev range. And for sheer stopping power, Corolla LE and XRS also have a 4-wheel Antilock Braking System (ABS) with Electronic Brake force Distribution (EBD) – now optional on Corolla Sport. And that's just for starters. So rest assured. Because Corolla is all about putting a smile on your face... and keeping it there. Safety and fun coexisting harmoniously. It's a beautiful thing.

Above from left: Dual-stage driver and front passenger airbags. Front head/side curtain airbags and driver and front passenger side airbags

(available on LE model). Front seatbelt pre-tensioners with force limiters. Above inset: Corolla's efficient VVT-i engine.

DRESS IT UP. DRIVE IT OUT. Express yourself. Take your Toyota Corolla to a whole new level of self-expression by adding any of the Toyota Accessories custom designed for your model. It's a great way to personalize your new vehicle, optimize its appearance and enhance the performance all at the same time. Ask your Toyota Dealer. To find the Toyota Dealer nearest you go to toyota.ca or call **1-888-TOYOTA-8**.

Side window visors

Hood deflector

Subwoofer

Rear lip spoiler

Enhance the look and functionality of your new Corolla by choosing from the following list of Accessories:

- All-season mats • Block heater • Body kit • Cargo box
- Cargo liner • Cargo net • Cruise control • Dash accent kit
- Door sill protectors • Front end mask
- Licence plate cover • Moonroof wind deflector • Performance exhaust
- Rear bumper protector • Rear spoiler
- Security system • Sport pedal
- Towing accessories • Wheel locks

Corolla all dressed up with a rear lip spoiler, a hood deflector and a “body kit” which includes front and rear bumper chins and side skirts.

2006 COROLLA COLOURS

² Bone Fabric on CE and LE models.

³ Optional Bone Leather on LE models.

⁴ Dark Grey Fabric on Sport and XRS models.

NEW VEHICLE WARRANTY SUMMARY No Deductibles – No Transfer Fees

Comprehensive Coverage - 3 years or 60,000 km

This warranty includes 24 hour Roadside Assistance and other benefits, as well as coverage of repairs on any part of the vehicle that is defective in material or workmanship under normal use and maintenance. Different warranties apply to original tires.

Powertrain Components - 5 years or 100,000 km

This warranty covers repairs to powertrain components that are defective in material or workmanship under normal use and maintenance.

Major Emission Control Components - 8 years or 130,000 km

This warranty covers repairs to specified major emission components that are defective in material or workmanship under normal use and maintenance.

Corrosion Perforation - 5 years unlimited distance

Any sheet metal found, under normal use, to have developed a perforation from corrosion due to defects in material or workmanship.

VEHICLE COVERAGE

With Extra Care Protection you receive inflation protected coverage from mechanical failures, road emergencies, and much more. It's the most affordable way to guarantee your peace of mind. Consult your Toyota Dealer for details.

TOYOTA EXPERIENCE Toyota Dealers are dedicated to making the experience of owning a Toyota both satisfying and rewarding. Our highly skilled, Toyota-trained technicians are here to make sure you enjoy many years of trouble-free driving. “That new Toyota feeling - we help you keep it.”

If you're looking at leasing or financing, we're here to help. We provide competitive interest rates, flexible terms, and an easy online pre-approval process. The toughest decision should be choosing which Toyota you want. Visit us at www.toyotafinancialservices.ca.

Toyota Canada and its Dealers are proud sponsors of Canadian Special Olympics.

Toyota Graduate Program

This program assists new graduates in their purchase of a New or Certified Used Toyota. The program differs depending on the model chosen. Be sure to ask your Dealer when purchasing your Toyota. Some conditions may apply.

• Antilock Braking System (ABS), Electronic Brake force Distribution (EBD), Cruise Control, Power Moonroof, Tire Pressure Monitoring System		○		

* Airbag Notice: The 2006 Corolla features a driver & front passenger airbag Supplemental Restraint System (SRS) which activates only in a full-frontal collision of sufficient magnitude to inflate the bags. In moderate frontal collisions, the airbags may not inflate; in a rear or side collision the airbags are designed not to inflate, so the primary protection is provided by the lap and shoulder belt system. The 2006 Corolla also features a Front Seat-Mounted Side Airbag and Front Head/Side Curtain Airbag (optional on LE) Supplemental Restraint System (SRS) which activates only in a side-impact collision of sufficient magnitude to inflate the bags. *Seatbelts must be worn at all times by all occupants.*
