

The Audi TT and TTS.

The third-generation Audi TT is a striking evolution of an iconic design, with a wider, more imposing stance and a broad, single-framed grille flanked by angular headlights. You'll see many of the same eye-catching design cues, whether you choose the standard TT or the performance-oriented TTS, whether you prefer the classic Coupé shape or the open-top Roadster. And on the inside, the cabin is clear and intuitive, featuring the Audi Virtual Cockpit to show all driver information on a high-resolution LCD display.

Page 52 Important information

TT Sport

Key features that come as standard

Highlights include Audi Drive Select to tailor the ride, front Sport Seats for exceptional comfort and Audi Virtual Cockpit to put the information you need right in front of you.

Wheels

- ▶ 18" x 8.5J '10-spoke' design alloy wheels with 245/40 R18 tyres
- ▶ Tyre repair kit

Performance and suspension

- ▶ Audi Drive Select with four pre-configured modes – Auto, Comfort, Dynamic, Efficiency and an Individual mode, allowing the driver to electronically adjust the engine, transmission and steering
- ▶ Progressive steering – increases the vehicle's agility when cornering and reduces steering work when parking – can be configured via Audi Drive Select
- ▶ Start-Stop system with energy recuperation

Lighting

- ▶ Xenon headlights with LED daytime-running lights with automatic headlight range control. Also includes LED rear lights, brake lights and rear indicators

Exterior equipment

- ▶ Fully automatic acoustic hood made from insulated, three-layered fabric. Opens and closes in just 10 seconds up to road speeds of 31mph (Roadster only)
- ▶ Door mirrors – electrically adjustable and heated with built-in LED side indicators and painted in body colour
- ▶ Retractable rear spoiler – deploys and retracts automatically at set speed or when the centre console button is pushed

Seats

- ▶ Front Sport seats with integrated head restraints includes manual adjustment capabilities (on driver's and front passenger's side)
- ▶ Alcantara/leather upholstery
 - ▶ Seat centre panels and door trim inserts in black Alcantara
 - ▶ Seat side bolsters and head restraints in black leather
- ▶ ISOFIX child seat mounting for front passenger seat (with airbag deactivation). ISOFIX child seat mounting for rear seats, including Top Tether point (Coupé only)
- ▶ Split-folding rear seat (Coupé only)

Inlays

- ▶ Inlays in aluminium design

Interior equipment

- ▶ Auto-dimming rear-view mirror
- ▶ 3-spoke flat-bottomed leather multi-function Sport steering wheel
 - ▶ Includes speech dialogue system, adjustable in height and distance. With gear-shift paddles on S tronic models
- ▶ Manual air conditioning with adjustable controls integrated directly in the air vents
- ▶ Front centre armrest
- ▶ Aluminium door sill trims
- ▶ 12V socket

Audio and communication

- ▶ Audi Virtual Cockpit – 12.3" high-resolution LCD display. The fully digital instrument cluster is customisable by the driver. All the functions and services are depicted using superb graphics with a 3D impression and detailed effects in brilliant clarity
- ▶ Audi Music Interface – for the connection of portable media players via USB interface (including charging function)
- ▶ MMI radio which includes:
 - ▶ Single CD player and 2x SDXC memory card readers (MP3, WMA and ACC compatible)
 - ▶ MMI control panel with MMI Touch – a touch sensitive control panel that enables the driver to enter letters and digits using their fingers
 - ▶ TP memo, which automatically saves traffic news when driving
 - ▶ FM and AM (MW) radio reception
 - ▶ 8 passive speakers
- ▶ DAB digital radio
- ▶ Bluetooth mobile telephone preparation – for hands-free mobile phone connectivity and Bluetooth audio streaming (depending on compatibility of mobile phone and software version, please visit www.audi.co.uk/phonecompatibility)
- ▶ Seat belt microphone – integrated into the seat belt to improve voice quality while making a call using a Bluetooth bonded telephone (Roadster only)

- ▶ Online Media streaming (Audi MMI Connect app required)
- ▶ Email, calendar and text messages can be displayed on your vehicle's MMI. A myAudi account and Audi MMI Connect app are required. Please check www.audi.co.uk/phonecompatibility for more information

Driver assistance

- ▶ Cruise control – works at speeds above approximately 18mph
- ▶ Rear parking sensors
- ▶ Keyless go – allows engine to be started by simply pressing the start/stop button in the centre console
- ▶ Audi Active Lane Assist including windscreen sunband (2.0 TFSI and TTS only)
- ▶ Electromechanical parking brake

Safety and security

- ▶ Anti-theft wheel bolts
- ▶ Roll-over bars – enhance safety for the driver and front passenger (Roadster only)
- ▶ Front airbags with front passenger deactivation
- ▶ Tool kit, warning triangle and car jack
- ▶ Anti theft alarm
- ▶ First aid kit
- ▶ Tyre pressure loss indicator
- ▶ Light and rain sensors

Vehicle driver assistance and safety systems are not a substitute for attentive driving. Drivers retain full responsibility for providing the necessary inputs for safe control of the vehicle. System descriptions within this brochure are provided for information purposes only. System limitations and operational requirements apply. See manual for details.

TT S line

Specification in addition or replacement to Sport

Upgrade to S line trim and you'll add stylish new elements to both the exterior and the interior of your TT – from LED headlights to 19" alloy wheels and S line body styling.

Wheels

- ▶ 19" x 9.0J '5-arm Star' design alloy wheels with 245/35 R19 tyres

Performance and suspension

- ▶ Optional S line Sport suspension – lowered by 10mm

Lighting

- ▶ LED headlights with LED rear lights and dynamic rear indicators

Exterior equipment

- ▶ S line badges on the front wings
- ▶ Radiator grille in high-gloss black
- ▶ S line body styling comprising:
 - ▶ S line front and rear bumpers
 - ▶ S line side sills
 - ▶ S line rear diffuser with platinum grey insert

Seats

- ▶ Black Alcantara/leather upholstery with 'S' embossing and contrasting silver stitching on the upholstery, steering wheel and gear knob gaiter
- ▶ Electric 4-way lumbar support – for front seats

Inlays

- ▶ Inlays in Matt brushed aluminium

Interior equipment

- ▶ S line badge on the steering wheel
- ▶ Extended aluminium look in the interior with pedals in stainless steel
- ▶ Door sill trims with S line logo
- ▶ Gear lever knob in black perforated leather
- ▶ Black headlining

TT Black Edition

Specification in addition or replacement to S line

The Black Edition trim adds a range of features designed to make an instant impression. These include striking 19” alloy wheels in black gloss, privacy glass (Coupé only) and black highlights to the exterior.

Wheels

- ▶ 19” x 9.0J ‘5-spoke-Blade’ design Audi Sport alloy wheels in black gloss with 245/35 R19 tyres

Exterior equipment

- ▶ Black Styling Pack – adds black highlights to the exterior, including the radiator grille and front and rear bumpers
- ▶ Privacy glass – dark-tinted rear and rear-side windows from B-pillar backwards (Coupé only)
- ▶ Wind deflector with electric retraction and extension, reduces the draughts in the interior and thus ensures greater driving comfort (Roadster only)
- ▶ Black door mirrors

Audio and communication

- ▶ Bang & Olufsen Sound System – features 12 high-performance speakers and a 14-channel amplifier with a total power of 680 watts. The system is equipped with VNC (Vehicle Noise Compensation), which, through the on-board microphone detects the sound reproduced and compensates for external and internal noise. 5.1 surround sound is possible when combined with Technology Pack (WB4)

TTS quattro

Specification in addition or replacement to Sport

A true performance icon. The Audi TTS includes features like Audi Magnetic Ride that continuously adapts to the road, as well as unique 'S' styling and luxurious upholstery inside.

Wheels

- ▶ 19" x 9.0J '5-parallel-spoke Star' design alloy wheels with 245/35 R19 tyres

Performance and suspension

- ▶ Audi Magnetic Ride with vehicle lowering:
 - ▶ Audi Magnetic Ride continuously adapts the suspension damping to the changing driving situation
 - ▶ It does this automatically and in just a fraction of a second by means of an electronically controlled magnetic field
 - ▶ The body is 10mm lower than the Audi TT suspension, creating an even sportier driving feel

Lighting

- ▶ LED headlights with LED rear lights and dynamic rear indicators

Exterior equipment

- ▶ 'S' design body styling comprising:
 - ▶ Audi Single-frame grille in Platinum grey featuring horizontal double struts in aluminium-look as well as a TTS emblem
 - ▶ TTS front bumper with accentuated side air inlets with horizontal aluminium-look slats and side sill trims
 - ▶ TTS rear bumper incorporating a diffuser insert in Platinum grey with a surround in aluminium-look
- ▶ Aluminium-look door mirrors
- ▶ Brake calipers painted black with TTS logo
- ▶ Door sill trims with aluminium inlay and TTS logo
- ▶ Audi Beam – uses LEDs to project the Audi logo onto the ground as you exit your TTS quattro

Seats

- ▶ Super Sport seats upholstered in Fine Nappa leather with 'S' embossing
 - ▶ Manual adjustment of the seat height, front and back position, seat angle and backrest angle
 - ▶ Electric 4-way lumbar support
- ▶ Heated front seats
- ▶ Leather Package – armrests in the doors, door pull handles, trim on the centre console and instrument panel cover in black leather

Inlays

- ▶ Inlays in Matt brushed aluminium

Interior equipment

- ▶ Coloured interior elements in quartz anthracite: on the side of seat, sides of the centre console and air vents
- ▶ Foot pedals in stainless steel
- ▶ Flat-bottomed TTS Sport 3-spoke contour leather multi-function steering wheel, with more heavily contoured steering wheel rim and TTS badging
- ▶ LED Interior Lighting Pack – in addition to the standard interior lighting:
 - ▶ Anti-glare lighting for the passenger compartment comprising door sill and footwell lighting at the front
 - ▶ Illuminated inside door openers
 - ▶ Passive door reflectors

Audio and communication

- ▶ Audi Sound System. Features:
 - ▶ 9 speakers in total including centre speaker and 2 bass speakers in the doors
 - ▶ 5-channel amplifier with a total output of 155 watts
- ▶ Audi Virtual Cockpit with a TTS specific screen

Driver assistance

- ▶ Audi Active Lane Assist – helps the driver stay in lane by gentle steering intervention, particularly useful on motorways. Can be used between speeds of 37–155mph*

Vehicle driver assistance and safety systems are not a substitute for attentive driving. Drivers retain full responsibility for providing the necessary inputs for safe control of the vehicle. System descriptions within this brochure are provided for information purposes only. System limitations and operational requirements apply. See manual for details.

*Where the law permits.

TTS quattro Black Edition

Specification in addition or replacement to TTS quattro

The Black Edition adds enhanced styling, thanks to the Black Styling Pack, privacy glass (Coupé only), 19" alloy wheels in black gloss and enhanced sound with the finely tuned Bang & Olufsen Sound System.

Wheels

- ▶ 19" x 9.0J '5-spoke-blade' design Audi Sport alloy wheels in black gloss with 245/25 R19 tyres

Exterior equipment

- ▶ Black Styling Pack – adds black highlights to the exterior, including the radiator grille and front and rear bumpers
- ▶ Privacy glass – dark-tinted rear and rear-side windows from B-pillar backwards (Coupé only)
- ▶ Wind deflector with electric retraction and extension, reduces the draughts in the interior and thus ensures greater driving comfort (Roadster only)
- ▶ Black door mirrors

Audio and communication

- ▶ Bang & Olufsen Sound System – features 12 high-performance speakers and a 14-channel amplifier with a total power of 680 watts. The system is equipped with VNC (Vehicle Noise Compensation), which, through the on-board microphone detects the sound reproduced and compensates for external and internal noise. 5.1 surround sound is possible when combined with Technology Pack (WB4)

Lighting

		Sport	S line	Black Edition	TTS quattro	TTS quattro Black Edition	Total RRP inc VAT*
PX2	LED headlights All-weather LED headlights for all front lighting functions. LED technology provides lower energy consumption and enhanced contrast with a colour similar to daylight, for increased safety and good recognition by other road users. Includes all-weather light function to reduce the risk of the driver being dazzled when visibility is poor (in fog, rain or snow). Also includes LED tail lights with dynamic flashing rear indicators and headlight cleaning system (8X1)	•	S	S	S	S	£1,430
8G1	High-beam assist Working within system limits, automatically detects the headlights of oncoming traffic, the rear lights of other road users and built-up areas and, depending on the traffic situation, the high beam is automatically switched on or off	•	•	•	•	•	£160
PXC	Audi Matrix LED headlights Audi Matrix technology provides maximum and precise illumination at all times without dazzling other road users whilst minimising energy usage. The Matrix LED units each incorporate 12 separate controllable LEDs which form the high beam and can be individually shut off when sensors detect traffic ahead or approaching, to ‘divert’ the beam around other road users without diminishing its effectiveness. The vehicle uses information from a camera to detect other road users and identify the appropriate lighting required. Also includes: ▶ Dynamic front and rear indicators which sweep from inside to out ▶ Headlight cleaning system (8X1)	–	•	•	•	•	£945

Technology Packs

Technology Pack

Make the most of the stunning graphics of the Audi Virtual Cockpit with 3D navigation, as well as the added connectivity from the Audi Phone Box and internet access provided by Audi Connect Infotainment Services.

MMI Navigation Plus

Highlights include:

- ▶ Navigation system integrated into the stunning 12.3" Audi Virtual Cockpit to offer 3D map display
- ▶ Online map updates (includes five free updates) and myAudi special destinations which allows you to download special destinations such as your favourite restaurants into your navigation system via your myAudi account*
- ▶ Country-specific information – find out the legal regulations for the country you're travelling to, such as speed limits, whether it is compulsory to carry a high-visibility vest or whether you need to display a motorway toll sticker

- ▶ 8 passive loudspeakers, total power of 100 watts
- ▶ Media jukebox with space for approximately 10GB and album cover display
- ▶ DVD drive (MP3, WMA, AAC and MPEG-4-compatible) for music CDs and video DVDs
- ▶ Whole-word address input in one sentence using voice control system
- ▶ MMI Search: free text search with intelligent suggestions during input

Audi Connect Infotainment Services (36-month subscription)

Audi Connect Infotainment Services is the link between your Audi and the internet, giving you access to entertainment, information and search functions operated via the MMI control panel, the multi-functional steering wheel or the voice control system.

With high-speed internet access in your car when an external data source is used, you can call up information such as flight times, fuel prices, weather and other online services provided by third parties (e.g. Twitter), as well as Points of Interest and high-resolution aerial and satellite pictures from Google Earth™.

For more details, please see the full model guide at www.audi.co.uk/brochures or ask for a copy from your local Audi Centre*

Audi Phone Box

Allows phone calls to be made with improved reception quality by placing the mobile phone in the storage compartment provided in the centre console to create a 'wireless' connection to the vehicle aerial. Operated via the MMI control panel or multi-function steering wheel. Wireless charging available (with Qi enabled compatible smartphones) or via USB port.

Also provides an additional Bluetooth interface for a second device, meaning two mobile phones can be connected to the vehicle simultaneously.

For mobile phone Bluetooth compatibility, please visit your Audi Centre or www.audi.co.uk/phonecompatibility

Technology Packs

Comfort and Sound Pack

Combines the ultimate in sound quality together with everyday comfort items.

Bang & Olufsen Sound System

Features 12 high-performance speakers and a 14-channel amplifier with a total power of 680 watts. The system is equipped with VNC (Vehicle Noise Compensation), which, through the on-board microphone detects the sound reproduced and compensates for external and internal noise. 5.1 surround sound is possible when combined with Technology Pack (WB4)

Hill-hold assist

Once the vehicle comes to a stop, hill-hold assist uses either the ESP system or the electromechanical parking brake to hold the vehicle stationary for an unlimited amount of time, thus preventing it from rolling away on uphill or downhill gradients

Audi Parking System Plus

In addition to Audi Parking System, rear:

- ▶ Selectable sensors and detection systems for the front of the vehicle
- ▶ A visual display in the Audi Virtual Cockpit which shows the parking situation around the vehicle, displaying white distance markers for obstacles that would not be touched and red symbols for obstacles that may be touched

Heated front seats

Individually controlled variable temperature adjustment for driver and front passenger seats

Technology Audio and communication

		Sport	S line	Black Edition	TTS quattro	TTS quattro Black Edition	Total RRP inc VAT*
9VD	Audi Sound System Ensures perfectly balanced sound throughout the entire passenger compartment: ▶ 9 speakers in total including centre speaker and two bass speakers in the doors ▶ 5-channel amplifier with a total output of 155 watts	•	•	–	S	–	£270
9VS	Bang & Olufsen Sound System Features 12 high-performance speakers and a 14-channel amplifier with a total power of 680 watts. The system is equipped with VNC (Vehicle Noise Compensation), which, through the on-board microphone detects the sound reproduced and compensates for external and internal noise. 5.1 surround sound is possible when combined with Technology Pack (WB4)	•	•	S	–	S	£895
		–	–	–	•	–	£625
9ZE	Audi Phone Box Allows phone calls to be made with improved reception quality by placing the mobile phone in the storage compartment provided in the centre console to create a ‘wireless’ connection to the vehicle aerial. Operated via the MMI control panel or multi-function steering wheel. Wireless charging available (with Qi enabled compatible smartphones) or via USB port. Also provides an additional Bluetooth interface for a second device, meaning two mobile phones can be connected to the vehicle simultaneously. For mobile phone Bluetooth compatibility, please visit your Audi Centre or www.audi.co.uk/phonecompatibility	•	•	•	•	•	£325
UI2	Audi Smartphone Interface Connects your compatible smartphone with your TT, bringing your mobile content via USB directly into the MMI display. Utilising Android Auto or Apple CarPlay, you can access approved apps* for navigation via your Maps app, keeping in touch via messages, phone or selected 3rd party apps* like WhatsApp, listening to the music on your phone or streaming music from 3rd party apps* all of which can be easily controlled via the MMI controller and via the voice control system on your phone. Only available in combination with Technology Pack (WB4)	•	•	•	•	•	£250

Options are subject to availability and may extend time taken for delivery.

*Audi Smartphone Interface uses Apple CarPlay, which is available with iPhone 5 and above, or Android Auto, which is available with phones using Android 5.0 Lollipop or above and requires the download of the Android Auto app. Availability of applications differs by operating system and is dependent on approval by Apple or Google. An up-to-date list of approved apps is available on the relevant systems' websites. Permanent availability cannot be guaranteed as this is the responsibility of Apple and Google. Use of certain apps with Smartphone Interface will be subject to signal availability of the mobile network in your location and in-car usage may increase your mobile data usage. If using regularly, a mobile phone contract including an unlimited or high amount of data is recommended.

Technology Driver assistance continued

		Sport	S line	Black Edition	TTS quattro	TTS quattro Black Edition	Total RRP inc VAT ⁺
6I1	Audi Active Lane Assist Helps the driver stay in lane, with gentle steering intervention, providing enhanced safety and comfort, especially on motorways and country roads: ▶ Working within the system limits, it functions between speeds of approx 37mph to 155mph* and detects lane markings ▶ It then helps the driver remain in lane by active steering intervention and, if desired, vibration when inadvertently leaving the lane without indicating ▶ The system is activated manually by a switch on the indicator stalk (Standard on 2.0 TFSI and TTS engines)	•	•	•	S	S	£650
7Y1	Audi Side Assist Increased safety thanks to monitoring of the blind spot: ▶ Working within the system limits, it functions above 19mph using radar sensors to monitor the areas to the side and behind the vehicle ▶ It then informs the driver with a visual warning signal in the door mirror if there is a vehicle in their blind spot or approaching quickly from behind ▶ The system is activated using the MMI car settings	•	•	•	•	•	£595
QR9	Traffic sign recognition The camera-based recognition of traffic signs enables the current statutory speed limit to be conveniently displayed in the Audi Virtual Cockpit. Should the camera fail to see a sign properly, the speed limit from the data for the navigation system will be shown instead. Some advantages of this system are: ▶ Current detected speed limits, including additional signs, are displayed at all times in the Audi Virtual Cockpit ▶ In addition, speed limits are evaluated according to the situation if the road surface is wet or at certain times of day ▶ Within system limits, the camera-based system also recognises temporary speed restrictions at roadworks and on digital signs (e.g. overhead signs on motorways) Only available in combination with Technology Pack (WB4)	•	•	•	•	•	£160

Options are subject to availability and may extend time taken for delivery.
Vehicle driver assistance and safety systems are not a substitute for attentive driving. Drivers retain full responsibility for providing the necessary inputs for safe control of the vehicle.
System descriptions within this brochure are provided for information purposes only. System limitations and operational requirements apply. See manual for details.

Financing your Audi

A range of finance plans designed to suit you

At Audi, we offer a range of ways to finance your new Audi TT – with most finance agreements, you just need to choose your annual mileage and the length of the term, then pay an initial deposit which could be as little as one monthly payment.* For more details, see the accompanying Audi Finance booklet, or speak to your local Audi Centre.

Solutions Personal Contract Plan

A flexible finance plan designed to give you a number of options, making it ideal if you want to change your car more regularly. At the end of the agreement, you have three choices:

1. Exchange the car for a new Audi.
2. Pay the option to purchase fee and optional final payment, then take full ownership of the car.
3. Simply return the car to Audi (fees may be payable).

Hire Purchase

If you know you'd like to keep your Audi, Hire Purchase could be right for you. And as you're making your payments with a view to owning the car, there's no restriction on how far you can drive each year.

Contract Hire

If you don't want to own your Audi, Contract Hire could be a great option. You can add a service, maintenance and tyres plan and, for VAT-registered businesses, an element of the VAT on rentals may be recoverable. You simply need to commit to a regular monthly payment and hand your car back at the end of your agreement (subject to our return standards).

Online Finance Calculators

Use our finance calculators to get a personalised quote that suits you. Simply visit the Finance and Offers section on www.audi.co.uk and you can choose between our Solutions Personal Contract Plan and Contract Hire calculators and see what you can expect to pay for your new Audi.

Audi Insurance

To ensure you can start enjoying your new car from day one, the first five days' insurance[†] is included as standard with all new Audi models. To activate it, simply call 0330 303 6900, give us a few details and you can drive it away as soon as you take delivery.

Telephone lines are open Monday to Friday 8am–8pm, and Saturday 9am–4pm. For details of our full range of insurance products, visit www.insurewithaudi.co.uk

*An offer of finance depends on certain conditions. Finance subject to status. Available to 18s and over. Terms and conditions apply. Audi Financial Services. [†]Subject to eligibility criteria. Audi Motor Insurance is sold and administered by Ageas Retail Limited. Audi Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ("VWFS UK"). Registered in England and Wales No. 2835230. Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Financial and consumer credit services are provided by VWFS UK. Volkswagen Financial Services (UK) Limited is authorised and regulated by the Financial Conduct Authority, registration number 311988. Audi Motor Insurance from Audi Financial Services is sold and administered by Ageas Retail Limited, registered in England and Wales No. 1324965. Registered office: Ageas House, Hampshire Corporate Park, Templars Way, Eastleigh, Hampshire SO53 3YA. Ageas Retail Limited is authorised and regulated by the Financial Conduct Authority (FCA), registration number 312468. Volkswagen Financial Services (UK) and Ageas Retail Limited are not part of the same corporate group.

TT Coupé technical data – petrol engines

All of our TT engines meet EU6 emissions standards.

	Petrol engines			
Engine	1.8 TFSI	2.0 TFSI	2.0 TFSI	2.0 TFSI quattro
Transmission	6-speed manual	6-speed manual	6-speed S tronic	6-speed S tronic

The information on this page is relevant for new factory orders only and is correct at time of publication. Please confirm with your Audi Centre the exact specification and technical data for your model. *Top speed is achieved in top gear. ¹The given value was obtained in accordance with the specified measurement procedure (the respective current version of the Directive 80/1269/EEC). The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of brake horsepower). To convert to brake horsepower, divide the PS figure by 1.0139. ²Vehicle’s unladen weight without driver (calculated in accordance with the current version of Directive (80/1268/EEC). The fitting of additional equipment may increase the vehicle’s unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced. ³Vehicle not suitable for towing. ⁴Highest insurance group rating shown. Group may be lower dependent on trim level. Please visit www.thatcham.org/abigrouprating for details. ⁵Fuel consumption and CO2 emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in ‘real world’ driving conditions. More information is available at www.dft.gov.uk/vca

TT Coupé dimensions

All the measurements you need

See the exact dimensions of the Audi TT Coupé, so you can check everything – from whether the car fits your garage to whether your luggage fits the boot.

Dimensions in millimetres. Optional equipment may affect dimensions. Dimensions were measured with vehicle at unladen weight, ground clearance measured with vehicle carrying its maximum load. Turning circle approx. 11m.

*Maximum headroom. **Shoulder room width. ***Elbow room width.

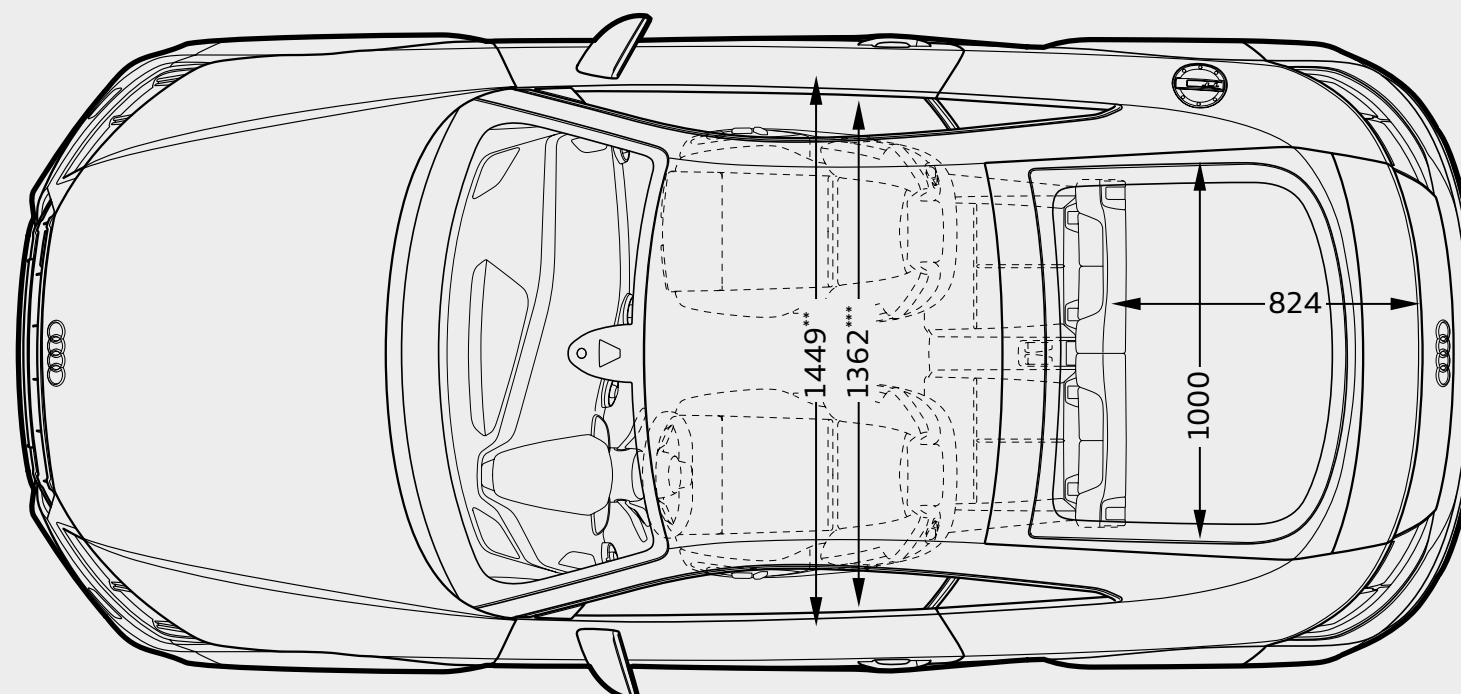

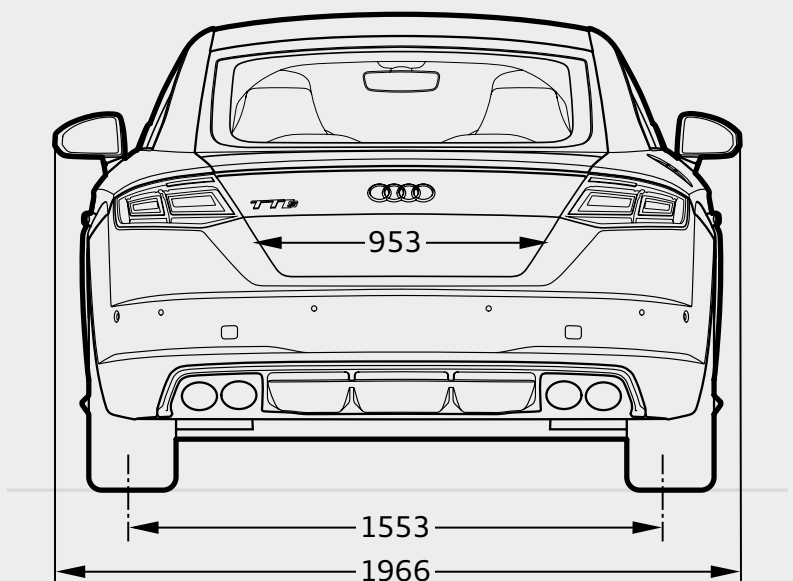

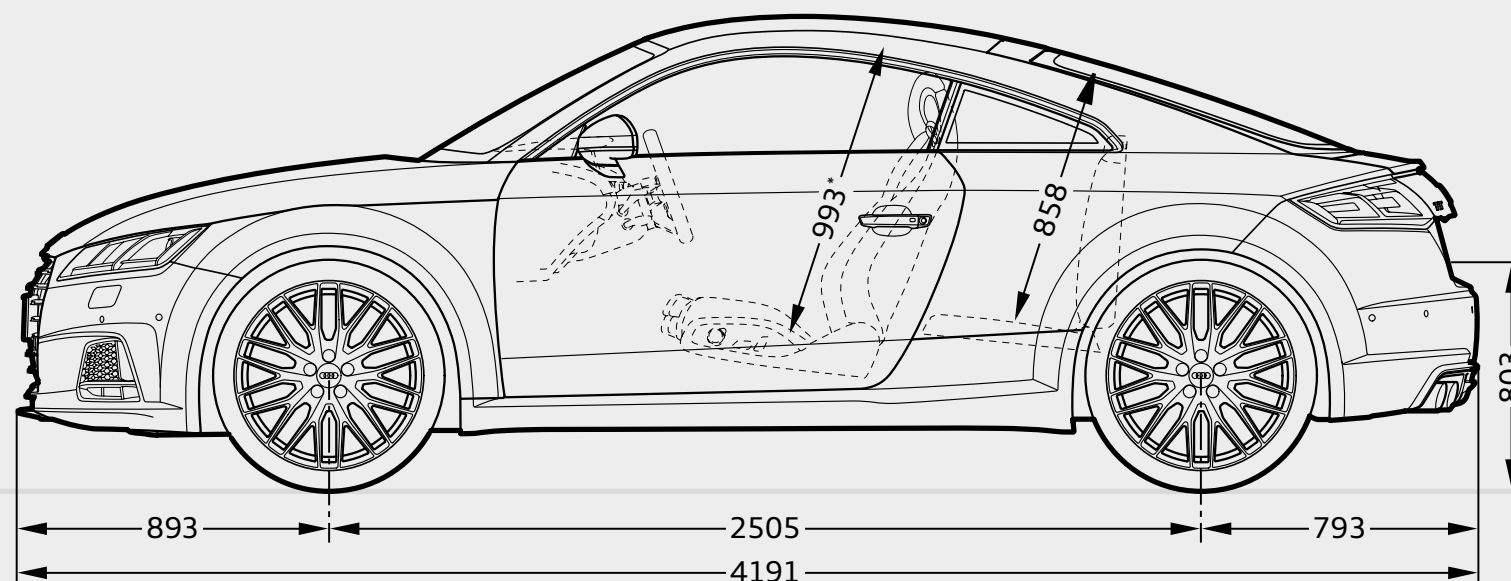

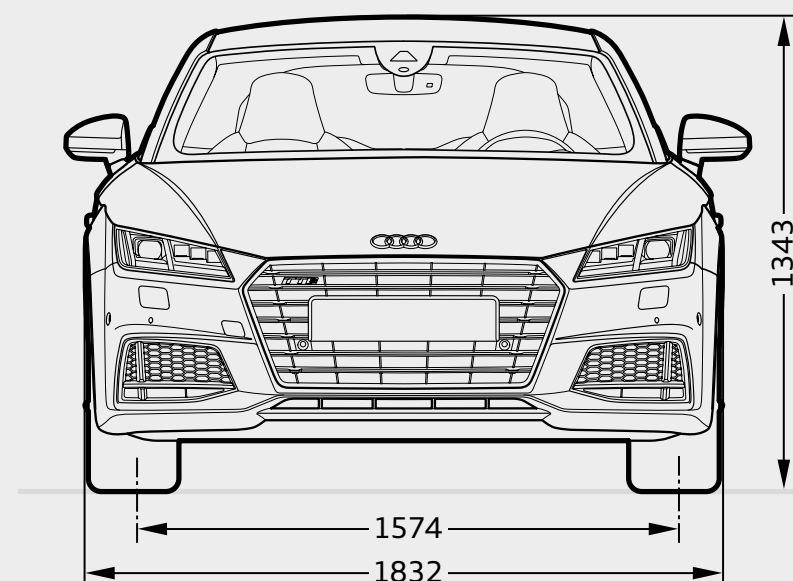

*Measured by the VDA standard test method using 200 x 100 x 50mm blocks.

TT Coupé models luggage compartment capacity:[†]
305l (rear seats up) or 712l (rear seats folded).

Important information

Welcome to Audi

Audi customer care

Every new Audi includes these reassuring features as standard:

- ▶ 3-year Audi warranty (unlimited mileage in the first two years, with a full mechanical and electrical warranty up to 60,000 miles in the third year)
- ▶ A 3-year paint warranty
- ▶ A 12-year anti-corrosion warranty
- ▶ 3-year UK roadside assistance and recovery
- ▶ 3-year accessories warranty on any accessories purchased with your car (2-year warranty if purchased separately from your new Audi)*

You also have the option when ordering your new car of choosing a 4-year or 5-year Audi warranty. Speak to a member of the sales team for more information.

Warranty terms and conditions apply. Please see www.audi.co.uk/warrantyterms for further details.

Information in this pricelist

We've done all we can to make the prices, specifications, technical details and all other information you see in this pricelist accurate at the time of publication. However, as our products are constantly being updated, we recommend checking the details with your Audi Centre.

We reserve the right to change prices or specification at any time. All prices shown in this guide include VAT which is currently charged at 20%.

Delivery charges and number plates are not included in the Total RRP inc VAT vehicle price.

Delivery charge	£504.99
Number plate	£20.00
VAT	£105.01
Total	£630.00

Recommended On-The-Road (OTR) prices include the delivery and number plate charges above, Road Fund Licence (which may vary depending on model/transmission – see table for details) and first registration fee at £55.00.

The images featured in this pricelist are for illustrative purposes only. They may feature left-hand drive vehicles and include equipment that is not UK specification.

CO₂ emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO₂) a vehicle emits, measured in grams per kilometre (g/km). First-year VED rates apply to the first year of ownership. Annual VED rates apply thereafter. The DVLA has created 13 categories:

Vehicles registered on or after 1 April 2017

Petrol and diesel engines	First year	Standard rate ⁺ (second year onwards)
A – 0g/km	£0	£0
B – 1 to 50g/km	£10	£140
C – 51 to 75g/km	£25	£140
D – 76 to 90g/km	£100	£140
E – 91 to 100g/km	£120	£140
F – 101 to 110g/km	£140	£140
G – 111 to 130g/km	£160	£140
H – 131 to 150g/km	£200	£140
I – 151 to 170g/km	£500	£140
J – 171 to 190g/km	£800	£140
K – 191 to 225g/km	£1,200	£140
L – 226 to 255g/km	£1,700	£140
M – over 255g/km	£2,000	£140

Vehicle Excise Duty (VED) rates correct at time of going to print, but these may alter to reflect any change in the applicable VED rate.

*Vehicles with a list price exceeding £40,000 (including factory installed options, delivery charge, number plates and VAT) will pay an additional £310 plus the standard annual rate for a 5-year period. After the 5-year period only the standard rate will apply.

*Excludes Road Angel products.

Important information continued

Audi tax-free sales

If you are entitled to purchase a vehicle free of VAT, normally through military or diplomatic privilege, please contact your local Audi Centre for full details. Should you have any difficulty obtaining the information you require, please call 0870 241 5663.

Audi Connect Terms and Conditions

The Audi Connect Online Services (“Connect Services”) are provided by Audi AG, and are included as standard in certain models within the Audi range of vehicles and are also available within some optional packs, such as the Audi Technology Pack. Audi AG is a company within our corporate group.

The Connect Services include:

- Audi Connect Infotainment Services (“Infotainment Services”).

Some services require additional activation steps. In order to enjoy these services customers must register, accept the terms and conditions and follow the activation steps instructed on myAudi (please visit <https://login.audi.com>).

Some services also require the download of the Audi MMI App on a compatible phone or tablet (always check latest phone and software compatibility).

Whilst correct at the time of publication, the content and scope of the Connect Services offered may vary from time to time. Features vary by model. Audi AG may add, change, replace or remove individual services or features at any time during your subscription for the Connect Services.

Enhancements in vehicle technology, information technology and web-based services sometimes require the Connect Services to be adapted and enhanced in line with new forms of technology or changes in user behaviour. In this context, Audi AG reserves the right at any time to enhance, reduce or change the functional scope of the Connect Services in a manner that it considers is reasonable for the customer.

For full details of the specific Connect Services on your vehicle, together with complete and up-to-date terms and conditions for those Connect Services, please visit www.audi.co.uk/connectterms

Audi Connect Infotainment Services

An external data source is required to enable the Audi Connect Online Infotainment Services (“Infotainment Services”).

One of two can be used:

- A separate SIM card with data option (which can be inserted into the vehicle SIM card reader). If 4G usage is required the SIM card will also need a 4G option. When a separate SIM card is used, hands-free phone calls are possible by connecting a different mobile telephone via Bluetooth hands-free profile. For mobile phone and software compatibility, please visit www.audi.co.uk/phonecompatibility or your local Audi Centre; or

- On capable mobile phones, the phone’s data connection can be shared with the vehicle via personal hotspot/tethering, although using this method may result in high consumption of your mobile phone battery.

Infotainment Services will only be available within the coverage area of your mobile phone network and there may be additional costs to you for the use of Connect Services (charges and billing correspond to your personal mobile phone contract or SIM card contract). Due to high data volumes, a mobile phone contract including an unlimited or high usage data plan is strongly recommended.

The Infotainment Services enable access to certain search, social media and other online services provided by third parties. Features vary by model. Permanent availability cannot be guaranteed as this is the responsibility of the relevant third party provider.

You may not use the Connect Services for any purpose other than the provision or receipt of services in accordance with these terms.

The subscription is activated from the point of vehicle registration. Should you wish to continue to use the Connect Services after your subscription has expired, please consult your local Audi Centre for details (including the latest subscription fees). Charges will apply upon renewal.

MMI Navigation Plus – online map updates and myAudi Special Destinations

The map version delivered with vehicles with MMI Navigation Plus can be updated free of charge for the first five updates after vehicle delivery (which are generally issued at intervals of 6 months). The current navigation data can be downloaded from the myAudi platform at www.audi.com/myaudi and embedded in the vehicle via SD card. In conjunction with Audi Connect Infotainment Services, the update can be carried out online in the vehicle (subject to mobile reception and an active data connection). For further navigation updates, it is possible to purchase new navigation data maps from your local Audi Centre at extra cost – please contact them for details.

With myAudi Special Destinations, you can download your favourite POI lists available on the internet (such as favourite restaurants) and have these displayed on your navigation map. In order to enjoy this service, customers must register, accept the terms and conditions and follow the instructions given on myAudi. Please visit <https://login.audi.com/login>
